Welcome to the 15th edition of Out There!

It's a double anniversary as it's also the 25th year of Out There Arts and this year's festival is a stellar celebration edition packed with world-class quality and rich variety. I've had the privilege to see several thousand shows over my 25 years with Out There and some of the very best of them are here in Great Yarmouth, the UK Capital of Circus.

Out There Festival 2023 boasts 34 artistic companies drawn from 17 countries and 5 continents, 108 performances, and a dozen UK premieres spread all over, as well as a wealth of opportunities to participate, create, explore and immerse yourself in the transformational weirdness and wonderfulness of it all.

Amongst this year's highlights, the all-female powerhouse Les Filles Du Renard Pale present 'Résiste' – an absolutely unmissable tour de force of tightwire and music beyond your imagination (one of our few ticketed shows – book now!). There's a rich seam of music and circus combined in extraordinary innovative forms this year – from Zen Del Sur's beautiful fusion of Flamenco and Acrobatics to the jaw-dropping one man band trio Oktopus Orkestar. And we welcome back from Flanders four superb companies – Collectif Malunés, Sur Mesure, Amoukanama and Circus Katoen – for a special Spotlight on Flanders programme. All this and much much more in a packed programme with something for everyone in one of the biggest Street Arts Festivals in the UK! We wish you all a wonderful festival and here's to the next 25 years!

Joe Mackintosh | Artistic Director

Performances take place around the town on numbered pitches. Their locations are shown on the site plan on p38-39. Most shows are family friendly, some may contain content unsuitable for a younger audience. We will provide age guidance or advisories where appropriate.

All our shows are d/Deaf friendly. At the festival, there will be some BSL interpreted shows. Access Stewards will be available on site for further information.

HERE TO HELP

You'll spot our Festival Hosts around the park and at the Info Points. They'll help with enquiries, point you in the right direction and give you some festival tips.

Some will also be carrying out our festival evaluation - this helps us measure the success of the festival and tell us a little bit about our audiences. It's vitally important and helps prove our case to funders, ensuring the festival for future years. Please do complete an evaluation if you're asked.

If you're here with children, we recommend you write your phone number on their arm. If you lose your child, report to one of the Info Points straight away while we locate them.

WHAT ABOUT THE WEATHER?!

We're outdoors so the weather can change! Performances will continue as long as it is safe to do so. Shows may be delayed (and occasionally cancelled) at the discretion of the festival if the weather becomes too bad. We'll keep you up-to-date on Twitter @outtherearts

SIT YOU DOWN BOR!!

There are benches and cushions at many shows, but bringing a sit-mat or blanket always helps!

PHOTOGRAPHY AND VIDEO

US - We have official festival photographers around across the weekend capturing photos and film that we may use on social media and in future promotional material. If you do not wish to be featured, please make it known to the filmmaker/photographer.

YOU - We love to see all the great pictures and films you take at Out There. Share them on social media and tag us:
