Welcome to the 2025 Out There Festival!

This is the 17th edition of the festival and it's truly an extra special one. Many special projects and partnerships are contributing to this being one of the biggest and most anticipated festivals we have ever produced. A huge programme is spread out over four days, with over 60 artistic companies and 250 artists, 17 International companies, 18 World or UK premieres, over 150 performances and 9 special shows and experiences having been 'Made in Great Yarmouth' through our residency and outreach programmes.

This year Out There hosts the Circostrada 'Fresh Street' International gathering of several hundred professionals from all over the world working in Outdoor Arts coming together to share ideas and engage with the festival. This is the first time in the UK and it's helping us also launch three years of partnership work with other festivals around the world to exchange artists and grow Out There's established role as a key international gateway. We have a fabulous international programme this year including artists from Spain (including a special Catalan focus), Portugal, France, Italy, Germany, Belgium, Latvia, Lithuania, South Africa, Switzerland, Australia, Ireland, New Zealand and more

Many of the companies participating have also been here throughout the year creating and engaging over 4000 young people, many of whom are shaping the growing 'Young Out There' strand. Out There is a founding partner in the 'Freshly Greated' consortium and together we have produced all kinds of participatory opportunities across the festival this year with fantastic things to both see and do for everyone. This includes the 'Beach of Dreams' - Kinetika's national celebration of coastal heritage manifesting itself here on our beach with a mass of community created pennants, climbable bamboo structures, shows, talks and more.

And finally we launch our new Ice House venue after many years of planning, fundraising and building. 'Siku' will be the first show to be presented there - keeping it icy with a circus show set in the arctic of yesteryear.

We urge you all to make the most of this very special year and get Out There!

HOUSE!

Embark on a journey through The Arctic of yesteryear with the first ever show in the newly renovated The Ice House.

Relive the age of polar exploration with the first woman to reach the North Pole by bicycle. Together with three crew members, she embarks on a fantastic odyssey, frequently interrupted by the local inhabitants and a circus polar bear.

Experience circus, ups and downs on a Chinese Pole and daring bicycle tricks.

CIRCUS SUMMER SPECTACULAR AT THE HIPPODROME

9 Jul - 14 Sep 2025
hippodromecircus.co.uk

HERE TO HELP

You'll spot our Festival Hosts and volunteers around the park and at the Info Points. They'll help with enquiries, point you in the right direction and give you some festival tips.

Some will also be carrying out our festival evaluation - this helps us measure the success of the festival and tells us a little bit about our audiences. It's vitally important and helps prove our case to funders, ensuring the festival for future years. Please do complete an evaluation if you're asked.

If you're here with children, we recommend you write your phone number on their arm. If you lose your child, report to one of the Info Points straight away while we locate them.

PHOTOGRAPHY AND VIDEO

Us - We have official festival photographers around across the weekend capturing photos and film that we may use on social media and in future promotional material. If you do not wish to be featured, please make it known to the filmmaker/photographer.

You - We love to see all the great pictures and films you take at Out There. Share them on social media and tag us:

FRIENDS OF THE FESTIVAL

**Become a Friend of the Festival and help
keep the festival free for everyone else!**

Excited about one particular show and want to guarantee a good seat? This year you can pay what you can to be a Friend of the Festival and ensure that you have a seat waiting for you at a particular show.

The best thing is that by doing so, you are helping to keep the festival free for everyone else. Think of it as paying it forward, to make sure we can keep the festival going for years to come.

If you can't afford it, don't worry – you will still get to see the exact same show as everyone else thanks to the contributions by those who can.
