Welcome to the 2026 Out There Festival!

Welcome to the 18th Out There International Festival of Street Arts and Circus!

We have a fantastic programme of over 36 companies and 200 artists from nine countries, mixing world-class acts with local groups and also yourselves! Out There remains one of the UK's biggest and best festivals, mostly free, and there's truly something for everyone.

Highlights this year include French Electrobass stars FÜLÜ with a nighttime concert in St George's Park, projections and aerial circus. Four clowning shows from Catalonia, including Nacho Flores' balancing act Domte. Italy's superb musical clowning trio Teatro Necessario. Japan's Kano Mami with her unique solo style. Hilarious Lanordika on a crochet circus quest. Old favourites return – Granny Turismo, Cocoloco, Cat and Mouse theatre and more.

Be sure to take a look 'Up Our Street' next to the Drill House, a bonkers array of transformations, games and impromptu moments from the community. We're also a part of Southbank Centre's 'Poet in Every Port' with the National Poetry Library bus – see, hear, read, record and perform poetry, open to all.

As well as the superb outdoor programme, this year includes three top quality indoor performances: The world famous Hippodrome Circus are collaborating with UK's globe-trotting crowd-pleasers Revel Puck Circus presents A Glimmer Daze Gambit – a large-scale circus show. In our refurbished Ice House, master clown and puppeteer Dik Downey's (Opposable Thumb Theatre) Don Quixote (is a very big book), and Belgian company Humo Y Polvo's fabulous debut I Dreamt I Had Hairy Teeth.

In an increasingly challenging and expensive world, Out There is an affordable sanctuary of delight and discovery bringing us all together to enjoy the weird and wonderful. I wish you all a fantastic festival and urge you all to make the most of it and share the joy.

EXTRA OUT THERE

There's always great things happening in Great Yarmouth.
Here's a few cultural experiences you should check out
during your visit to the Out There Festival.

GREAT YARMOUTH GUARDIANS

During the summer of 2024 with the support of Out There Arts, Hasina Choudhury constructed a giant comic mural working with local young people in Great Yarmouth. These amazing images were collated into a mural telling the story of how they joined together to save the world.
